Mersey Ferries connect Liverpool with the Wirral Peninsula, calling at Pier Head, Seacombe and Woodside. They're the perfect way to see another side to the Liverpool waterfront, whilst learning more about the history and heritage of the region and river. And of course, you can boast that you have been on a "Ferry" cross the Mersey".

By Ferry

We have a fast and frequent rail service in Merseyside, connecting you with Chester City Centre, the beaches at Southport and West Kirby, the historic market town of Ormskirk and many places in between, making it a quick and convenient way to explore.

By Train

We have two main bus stations in the city centre where our friendly staff can help you make the most of the fantastic bus network in the region. Our buses are fully accessible and there is a range of tickets which can offer great value.

By Bus

To make the most of your visit to Liverpool you need to make the right connections and Merseytravel is here to help you get to wherever you want to be by bus, train and Mersey Ferry.

Getting around

If you are stopping off at Liverpool on your cruise and would like to take a look around the city you could take a short walk along the river front to Albert Dock then turn inland where you will see Liverpool ONE shopping centre. Or you can pick up a bus from Mann Island, next to the Pier Head which will take you further into the city centre.

At the Cruise Liner Terminal

The city centre is an easy, downhill walk from the coach station but if you would prefer to catch the bus, many call at London Road and bring you into the city centre. Simply cross London Road to catch a bus going down the hill towards the city centre.

At National Express Coach Station

It's a short walk into the city centre shopping area or alternatively you can catch a bus down to the waterfront from the stop on Lime Street at the front of the station. You can also hop onto a Wirral Line train at Lime Street underground station to get to Liverpool Central or James Street stations.

At Liverpool Lime Street Station

Buses run from the airport to the city centre and take approximately 40 minutes or you can catch a bus to the rail station at Liverpool South Parkway and get one of the frequent trains into Liverpool city centre (14 minutes) or Southport (1 hour).
